Dear Parents/Guardians

Please find a link to the video which we would like to share with your son/s and daughter/s as a “Welcome-back” before they start school.

Please also note that while our external examination candidates are writing their Mock assessments, the rest of the school will continue to follow the timetable for online learning that we were using last term.

While the rest of the school takes holidays over 10 and 11 August, pupils writing their Mock Examinations will need to continue over these two days. We have a deadline of the 16 August for us to enter our final examination choices to Cambridge which cannot be missed.

This has happened to due to the change from paper-based assessments to online versions after the tightening of the lockdown measures and us not being able to start on the 28th July. Apologies for any inconvenience caused.

May I wish you all a blessed term.

Yours for Gundi
